

Job Title: Server

Reports To: Tavern Manager

Location: Tavern on Ten at Northampton Valley Country Club

Job Type: Seasonal

Pay: \$7.25/hour

Schedule: Flexible – Days, Evenings, and Weekends

About Us:

Tavern on Ten at Northampton Valley Country Club is a vibrant, professional dining destination known for exceptional service and a welcoming atmosphere. We are currently seeking energetic and experienced Servers to join our dynamic team.

Position Overview:

As a Server at Tavern on Ten, you will play a vital role in delivering top-tier customer service while upholding our high standards of professionalism. Ideal candidates are personable, attentive, and motivated to provide a memorable dining experience for every guest.

Responsibilities:

- Greet and serve guests in a timely and professional manner
- Accurately take food and beverage orders using the POS system
- Ensure tables are properly set and maintained throughout service
- Collaborate with bartenders, kitchen, and other staff to ensure smooth service
- Handle customer inquiries and resolve concerns promptly
- Maintain a clean and organized work area
-

Requirements:

- Previous serving experience in a fast-paced restaurant environment
- Strong customer service and communication skills
- Ability to multitask, work efficiently, and stay organized under pressure
- Must be able to lift at least 25 lbs. and regularly squat, bend, lift, and stand
- Flexible availability, including weekends and evenings
-

Why Join Us?

- Supportive and energetic team environment
- Beautiful venue with a steady flow of guests
- Opportunities for seasonal employment and flexible scheduling
